HONKARA

Honkara” is short for Honjozo Karakuchi, a classic, dry style of sake. With sake, the range of sweetness to dryness is measured by its nihonshudo, or Sake Meter Value. From extremely dry at +15 to extremely sweet at -20, this sake is +10.

Taste: Low aroma; slight marshmallow sweetness on the palate. Finishes crisp, dry and clean. Focused, tight and lean.

Serve: Best chilled or warmed; broader and more expansive at room temperature.

Pair: On its own or with light foods like salads, white fish, sashimi; also pickles.

Region: Yamagata
