JUNMAI GINJO

Founded in 1902, the 5th generation Saiya Brewery is one of the most award-winning sake breweries at Japanese and international competitions. This sake perfectly captures the ginjo style, particularly from the North—fruity, aromatic, bright and lively.

Taste: Floral and fruity nose with notes of melon, tropical fruit and strawberry. Medium bodied with a soft, creamy mouthfeel and spicy finish hinting of white pepper.

Serve: Best enjoyed chilled.

Pair: Light foods like salad, white fish, sashimi, and rich foods like savory stews and smoked fish.

Region: Akita
